GSA Network is proud to have been featured in several publications and contributed to the field of research on LGBT youth and education issues.

Standing Out, Standing Together: The Social and Political Impact of Gay-Straight Alliances

By Melinda Miceli

From the back cover: "Standing Out, Standing Together documents the emergence of Gay-Straight Alliance clubs throughout the U.S. ? exploring both the factors that contributed to their relatively rapid rise and those that stirred controversy and posed roadblocks. Drawing on more than 10 years of interviews with students, teachers, administrators, and political activists, Melinda Miceli exposes both the personal and political sides of this ongoing battle for acceptance and support. In this pioneering study, Miceli shows the evolution of gay and lesbian youth from silent victims to political actors and founders of a new social movement that strives to make schools more accepting places for all students." This book includes interviews with GSA Network's Executive Director, Carolyn Laub.
