## Training Student Leaders

**GSA Network develops youth leaders in the GSA movement. GSA Network's leadership training programs give youth the skills to effectively run GSAs. With the skills they gain at GSA Network's events, GSA youth leaders are changing their schools and communities.**

**The training we provide empowers youth to play a key role in the greater LGBT movement and other social justice movements.**

GSA Network provides a variety of training opportunities to help students learn skills to become strong, powerful GSA leaders. GSA Network believes in youth leadership and youth

empowerment. Youth lead our workshops and trainings. Youth help run the programs through our Youth Councils and Statewide Advocacy Council. Youth also serve on our Board of Directors.

## Trainings & Events
