Gay-Straight Alliance Network is joining with MTV and the Online ?Music Awards to help stop the bullying of LGBT students and ?make schools and communities safer for LGBT youth. We're ?participating in an epic party that will help raise money and ?awareness throughout October, which is National Bullying ?Prevention Month. So we're calling on you to help us beat the ?Guinness World record for longest dance party! ??

Currently, the GUINNESS WORLD RECORD FOR LONGEST DANCE PARTY ?(MARATHON) is 55 hours, set in Ireland in 2006. ??

Beginning **SATURDAY, 29TH OCTOBER 2011** -- we need your help to beat it! ??

The rules are simple. 50 dancers will begin. They must dance continuously for the ?entire duration, only being allowed a 5-minute break per hour. To complete the ?record, after 55 hours, at least 38 dancers must be still standing. ??Now, don't think for a second this record will take place in some dull gymnasium. ?No, for this epic record -- WE'RE TAKING OVER AN ICONIC HOLLYWOOD ?NIGHTCLUB! ??The event will be supported by high profile DJ's -- and since this is the O MUSIC ?AWARDS, you never know which celebrities and musicians may stop by to show their ?support, and even play a set. ??Dancing will begin exactly 54 hours and 15 minutes before the live O Music Awards. ?Then, we'll break the record during the LIVE online show -- which will be seen by ?millions of viewers worldwide! ??The attempt will be judged and presented live during the O Music Awards by ?Guinness World Records -- where if successful, you'll not just be raising money and ?awareness for a deserving cause, you'll be making history.

??Guidelines:

- Meals, snacks and refreshments will be provided
- Must be over 18 years
- Must be available for the full 55 hours, beginning on the morning of Saturday 29th

- October thru the evening of Monday, 31st October
- Must be able to bring a positive attitude, lots of energy... and obviously your best dancing skills!
