Sen. Franken: Make It Better!

Jan. 20, 2012

The Student Non-Discrimination Act (SNDA) is a much-needed bill that will give students the federal right to be free from discrimination, harassment and bullying based on a student's actual or perceived sexual orientation or gender identity.

The country needs SNDA to become law, and for that to happen, your Senators need to hear from you. GSA Network will send our letter of support for SNDA next week -- will you join us by calling on your Senator to support SNDA?

On January 25th, National GSA Day, Senator Franken will host a public call devoted to the work GSA activists can do to get this important bill passed. Stay tuned for more information about the call!
