## National Coming Out Day - come out in support of undocumented youth

Oct. 11, 2013 ? Mario

This Coming Out Day, join GSA Network leaders in coming out in support of undocumented queer students. Support our undocumented brothers and sisters in the fight for equal access and equal opportunities. Join us in empowering and creating unity and solidarity between our communities.

GSAs and GSA leaders can valuable allies in raising awareness of the issues and fear that undocumented queer youth face. Our stories often connect to our identities, so this coming out day, celebrate your stories and your identities by coming out of the shadows.
