How your GSA can support transgender youth

Feb. 20, 2014 ? Carolyn

Want to know how you can take action to support transgender youth? Watch Ashton Lee, a GSA Network of California youth leader, break it down for you:

Students like [Jazmine in the Antelope Valley](#) ^[1] and [Dean in Bakersfield](#) ^[2] have already started campaigns to support all students in their districts. They're focused on implementing California's School Success and Opportunity Act (AB 1266), but no matter where you are, [you can tell your district](#) ^[3] to issue a policy supporting all students.

As Ashton says, it's hard enough making it though high school. All youth should have the opportunity to be themselves and do well.

So what can you do? [Start your own petition, or support the campaigns of other GSAs](#) ^[3]! Or visit gsanetwork.org/trans ^[4] for more resources on how your GSA can be supportive of all students.

Let's see #GSAsUnite for all students!
