Internships

GSA Network internships are a valuable opportunity to gain hands-on experience working in a LGBTQ non-profit setting, working for a dynamic LGBTQ youth-driven organization. Interns may work on outreach and technical assistance to GSA clubs, curriculum development, writing program resources, media or press work, lobbying and policy advocacy, event planning, individual donor fundraising, database systems, office support, and many other exciting activities.

Internships are available year round, and are paid according to the local minimum wage unless otherwise noted. GSA Network can offer school credit for internships where available, please

check with your school regarding guidelines. GSA Network does not have the ability to provide relocation benefits to interested parties. The job descriptions reflect the essential functions of each internship; they do not prescribe or restrict the tasks that may be assigned. Selections are made as the applicant pool allows and continue until the position is filled.
