Register Your New GSA Here

Congratulations on starting a new GSA!

You can register your new California GSA here. Please check the [GSA Directory](#) ^[1] first to make sure you are not already registered. If your GSA is not in California, please check out our [National Directory](#) ^[2] to find a GSA Network in your state.

Please note: We do not directly serve GSAs at colleges or universities at this time. Please register your GSA only if it is from a K-12 school. Thank you.
