Youth Council Description:

The GSA Network Youth Council is a diverse group of youth leaders from GSAs all over California. As a member of the Youth Council, you will learn skills to become a stronger activist and work towards creating a safer climate at your school for LGBTQ youth and straight allies.

You will get support around mounting a campaign, event planning or starting a GSA club on your campus. In addition, Youth Council members are responsible for giving input and helping guide the programs of the GSA Network.

Under the guidance and mentorship of a region-specific Youth Organizer, **Youth Council Members will learn how to conduct school-based campaigns for LGBTQ rights and educational justice.**

Finally, Youth Council members will represent the needs of GSAs and youth activists from their geographic region as well as plan events and lead peer to peer workshops, leadership training, advocacy training and activist camps.
