**WHERE:** Mission High School, 3750 18th St, San Francisco, CA 94114

**COST:** FREE! This includes workshops, resource fair, dance, drag show, plus free HIV testing. Breakfast, lunch, and dinner will be provided.

**DANCE:** The dance is open to all registered participants of YES. This year's dance will include drag show open mic (sign ups will be taken during the dance).

## ***This year's theme is "Resiliency at the Intersections"***

The NorCal Youth Council, comprised of GSA youth leaders in Northern California, selected the theme of "Resiliency at the Intersections." They wanted to center and bring visibility to trans and queer people of color, prevent the erasure of intersectional identities, and to fight for racial justice within the LGBTQ community. In light of the Pulse tragedy in Orlando and the continual violence against our communities, they wanted to lift up the resiliency and power of trans/queer people of color at YES 2016.
